## ***Introduction to The Tiny Locator***

Originally this manuscript was meant to be part of a much larger project that would have been published sometime next year. But time and circumstance did not permit its completion. What then? Simply delete well over a two thousand name index for the sake of being incomplete? Surely this work may help a researcher somewhere or even be added to a personal collection of indexes.

## ***Consulted Digital Registers and Locations***

**REG 01** Parish of St. John the Baptist, Albion (Peel Co.), Ontario, 1867-1900.

Ancestry.ca LINK:
